150 LUMENS

Designed to fit the weapon profile perfectly, the TSM-16G is designed specifically for the Springfield Armory Hellcat.

Ambidextrous low-profile switches operate momentary or constant-on light, laser and light/laser modes with positive, tactile click.

Li-ion battery and included MAGMATE™ USB magnetic charger eliminates costly battery replacement for every hour of use.

Light comes with programmable gun lock for an added layer of security and peace of mind while charging.
