

The Wedge is a compact, high-performance EDC light designed for clean pocket carry. It's outfitted with an intuitive rotating thumb switch that provides tactile control over the constant on and THRO® (Temporarily Heightened Regulated Output) modes.

Made of rugged anodized aluminum with a waterproof USB-C port, the Wedge balances durability with performance.

Features two lighting modes: Constant on and momentary THRO® (Temporarily Heightened Regulated Output) mode for maximum brightness
Constant On: 300 lumens; 1,200 candela; 69m beam; runs 3 hours
THRO®: 1,000 lumens; 3,000 candela; 110m beam; 35 second burst
Battery status indicator located in switch - turns red when it's time to charge
Durable anodized machined aircraft aluminum construction
IPX7-rated; waterproof to 1m; 1m impact resistance tested

5.46" (13.87 cm); 3.3 oz (93.5 g)
